
Zeus North America Mining Corp. samples 1.3 grams per tonne Gold, 11.8 grams per tonne Silver and 135 parts per million Antimony at the Selway Property, Idaho

VANCOUVER, BRITISH COLUMBIA, JUNE 16, 2025 – ZEUS NORTH AMERICA MINING CORP. (CSE: ZEUS) (OTCQB: ZUUF) (FRANKFURT: O92) (THE “COMPANY” OR “ZEUS”) is pleased to announce rock grab samples at its Selway Property (the “Property” or “Selway”) in Idaho. The Property is located approximately 30 miles east of Kamiah, Idaho and is road accessible. It consists of 57 lode mining claims within Lewis and Idaho Counties, Idaho.

About the Selway Property:

- The Property is located in the Clearwater Mountains in the Idaho panhandle;
- The primary exploration target at the Selway Property is an **intrusive-related Au-Ag (+/- base metal) vein deposit** underlain by a tonalitic orthogneiss and foliated granodiorite unit;
- *Historic grab samples from a historic ore bin contain **53.6 ounces per tonne (“oz/t”) silver and 1.08 oz/t gold** (Gordon, 1973);
- Zilka et al. (1987) reported that vein mineralization in the region is controlled by high-angle faults and is usually found near the contact between metamorphic and granitic rocks;
- A number of past producing small scale mines exist throughout the area, including the Selway, Smith and Chitwood mines;
- In 2021, APEX Geoscience Ltd., Edmonton, Alberta conducted a rock grab sampling program for 1273180 B.C. Ltd. (acquired by Zeus, see Zeus news release dated February 12, 2024). Rock samples consisting of 54 Composite and Grab samples from throughout the Property were collected;
- Results for rock grab samples collected in 2024 by Zeus include:
 - 0.3 grams per tonne gold (‘g/t Au’), 11.8 g/t silver (‘Ag’) and 135 parts per million Antimony (‘Sb’). A number of historic antimony occurrences exist throughout the area;
- Results for rock grab samples collected in 2021 include:
 - 1.37 g/t Au, 0.7 g/t Au and 7.25 g/t Ag.

Based on past and current sampling, Zeus is planning a follow-up sampling and ground geophysical program during 2025.

*This is presented simply as a record of previous exploration at the project and to show the geological prospectivity of the area. All information is derived solely from management of Zeus Mining and otherwise publicly available third-party information which are believed to be reliable, but which have not been independently verified by the Company and as a result are not guaranteed as to accuracy and completeness. Zeus's management cautions that past results or discoveries on properties in proximity to Zeus may not necessarily be indicative.

Qualified Person

The scientific and technical information in this news release has been reviewed and approved by Dean Besserer, P.Geo., the President & CEO for the company and Qualified Person as defined in NI 43-101.

On behalf of the board of directors.

About Zeus North America Mining Corp.

The Company is in the business of mineral exploration. The Company is focused on its exploration properties in the state of Idaho known as the: Cuddy Mountain; Selway; and Great Western properties, respectively. The Idaho properties consist of 101 (Cuddy Mountain), 57 (Selway) and 38 (Great Western) lode mining claims respectively and cover a cumulative area of approximately 4,200 acres. The Company’s flagship Cuddy Mountain Property is adjacent to Hercules Metal Corp’s Leviathan Copper Porphyry discovery.

Forward Looking Statements

When used in this news release, the words "estimate", "project", "belief", "anticipate", "intend", "expect", "plan", "predict", "may" or "should" and the negative of these words or such variations thereon or comparable terminology are intended to identify forward-looking statements and information. Although the Company believes, in light of the experience of their respective officers and directors, current conditions and expected future developments and other factors that have been considered appropriate, that the expectations reflected in the forward-looking statements and information in this news release are reasonable, undue reliance should not be placed on them because the parties can give no assurance that such statements will prove to be correct. The forward-looking statements and information in this news release include, amongst others, the Company's exploration plans. Such statements and information reflect the current view of the Company. There are risks and uncertainties that may cause actual results to differ materially from those contemplated in those forward-looking statements and information.

By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements or implied by such forward-looking statements. There are a number of important factors that could cause the Company's actual results to differ materially from those indicated or implied by forward-looking statements and information. Such factors include, among others: currency fluctuations; limited business history of the parties; disruptions or changes in the credit or security markets; results of operation activities and development of projects; project

cost overruns or unanticipated costs and expenses; and general development, market and industry conditions.

The Company undertakes no obligation to comment on analyses, expectations or statements made by third parties in respect of its securities or its financial or operating results (as applicable). The Company cautions that the foregoing list of material factors is not exhaustive. When relying on the Company's forward-looking statements and information to make decisions, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. The Company has assumed that the material factors referred to in the previous paragraph will not cause such forward-looking statements and information to differ materially from actual results or events. However, the list of these factors is not exhaustive and is subject to change and there can be no assurance that such assumptions will reflect the actual outcome of such items or factors.

The forward-looking information contained in this news release represents the expectations of the Company as of the date of this news release and, accordingly, are subject to change after such date. The Company does not undertake to update this information at any particular time except as required in accordance with applicable laws.

The Canadian Securities Exchange does not accept responsibility for the adequacy or accuracy of this news release.
