UMDONI EXPLORATION INC. ANNOUNCES EXPLORATION UPDATE

Not for distribution to U.S. news wire services or dissemination in the United States.

Vancouver, British Columbia, December 22, 2023 – Umdoni Exploration Inc. (CSE: UDI) (the “Company” or “Umdoni”) is pleased to inform its shareholders that it has completed its 2023 exploratory work program at its 100% owned Chlore Property (the “Property”) located near Smithers, British Columbia.

The Company’s Qualified Person is currently collating the data received from this work program and will release the compiled information once interpretation is complete.

The Property hosts a calc-alkalic porphyry copper-molybdenum target. This phase of exploration on the Property was comprised of geological mapping, soil and rock-chip sampling. Collectively, these activities will assist the team in gaining a more detailed understanding of the Property’s alteration and mineralization.

On behalf of the Board of Directors,

UMDONI EXPLORATION INC.

“Jesse Hahn”
Director and CEO

About Umdoni Exploration Inc.

The Company is in the business of mineral exploration. The Company is focused on the exploration of its 100% owned Chlore Property (the “Property”) located near Smithers, BC. The Property hosts a calc-alkalic porphyry copper-molybdenum target. In 2021 the Company’s work plan was focused on obtaining an understanding of the alteration and mineralization on the Property. The work program included helicopter borne magnetic and radiometric surveys over the whole Property area. The 2023 phase of exploration on the Property was comprised of geological mapping, soil and rock-chip sampling.
